## **Swale Academies Trust**

### **Swale Sixth Form**

In September 2017 we start our third year of the Swale Sixth Form, with a wide range of experiences, courses and training being delivered across multiple sites within Sittingbourne. Students have the benefit of using top quality facilities at Westlands School, Sittingbourne Community College and the Swale Vocational Centre.

The Swale Sixth Form curriculum has broadened the number of subjects we are able to offer to students across the sites, as well as provide the best expertise from the staff within the Trust.

This is a fantastic opportunity for our students to embark upon the next stage of their educational journey and we look forward to working in partnership, supporting our students' pathway to success.

Period 5	1.20pm – 2.10pm	1.20pm – 2.10pm
Period 6	2.10pm – 3.00pm	2.10pm – 3.00pm

### **Expectations**

We expect our students to take a pride in being part of Swale Sixth Form, and they should act as positive role models for younger members of the school communities. We require students to be polite and cooperative, take responsibility for their own studies, complete assignments on time, and attend regularly and punctually. Appropriate clothing, as per the dress code, should be worn at all times.

### **Part time work**

We appreciate students may want to take on paid part time work in addition to the courses studied in the Sixth Form. But school work must be prioritised above paid part time work and restricted to ten hours a week. This is to protect students as we know from experience the amount of work they will have to do for the subjects they are studying at school.

### **Attendance and Punctuality**

All students must be registered on SIMS for all lessons. This applies to students on all sites. A 50 minute lesson counts as a single attendance, and this is carefully monitored. Attendance will also be checked on a daily basis. Holidays should not be taken during term time, and if this causes problems for students they must discuss this with a member of the Sixth Form Leadership teams. Doctor or dental appointments should be made outside school times, except in an emergency. If a pattern of absence develops this may lead to disciplinary proceedings. Parents will be contacted if punctuality and/or attendance issues arise.

Staff will also insist on punctuality to all lessons and any persistent lateness will be reported.

Students achieving 100% attendance each term will be entered into a draw for a voucher prize.

### **Leaving the Premises**

Sixth Form students may leave the school sites, but only when they have followed the correct procedures for signing in and out.

Electronic systems are in place for students to sign in and out each time they leave any of the SSF sites. These work on a finger printing system. Finger prints will be taken during the enrolment process.

**The terminals for this are located in the following places:**

**SCC** – Sixth Form Centre (both entry doors) side entrance to C block and the Sports block.

**Westlands** – D block (near D17), Library block entrance, Main building veranda area

Students must sign in and out **EVERY** time they arrive on or leave the school premises. This is for health & safety and fire regulations.

If students go home as they are unwell during the day, they must obtain permission from the relevant Principal or Vice Principal before they leave, and sign out in the correct way.

### **ID Badges**

All Sixth Form students must wear an ID badge whilst at any school site. These ID badges are to be worn with the lanyard supplied, so that students are clearly identifiable. This is for safeguarding

purposes, as students are not required to wear uniforms. Students will be required to have their photograph taken during enrolment day.

Any student not clearly wearing their ID badge on site will be challenged and may be asked to leave the site because they will be in breach of our Safeguarding Policy. Those students taking part in practical activities, such as sport, drama, dance etc, will need to ensure that badges are temporarily removed if they cause a health and safety hazard, but should immediately put them back on when leaving the practical area.

### **Personal Study and Homework**

Students in the Sixth Form have study periods built into their timetables to facilitate independent work and personal study. They will also be set homework by their class teachers. All students are expected to complete homework and self-study tasks, and to meet the deadlines. Students should expect to spend the equivalent of their course hours working out of school on their studies. Disciplinary proceedings may be enforced if homework and coursework deadlines are not met.

If students fall behind or regularly miss deadlines they may be placed on an 8.30-3pm timetable where they must spend all of their study periods working in the Sixth Form Study Area.

### **Plagiarism**

To plagiarise is to steal ideas or parts of someone else's work and present them as your own. For example, copying sections from books or websites and including them in an essay, with no reference to where the sections came from, is plagiarism. To paraphrase, or summarise, in a manner which may deceive the reader, is also plagiarism. If a student's work is deemed to be plagiarised it will not be marked.

When producing written work, students should remember that the process of research and gathering information about the subject area is worthwhile and necessary. Your teacher will be as interested in the research you have conducted, and the sources you have used, as they will in your final piece of work. If you make clear where information has been drawn from, then other readers can access the information to check that the sources have been correctly used.

All sources used should be referenced in the finished work. 'Sources' include, books, articles, websites, newspapers and magazines, television and radio programmes.

### **Smoking**

In line with the laws regarding smoking in public, all Swale Sixth Form sites are non-smoking areas. Sites are entirely smoke-free, which includes our car parks, to ensure we fulfil the "Healthy Schools" expectations.

We do not condone smoking and would like to actively discourage all students from smoking. Any student wanting help in giving up smoking will have our full support, and should contact a member of the Sixth Form Leadership groups.

Students in the Sixth Form are of an age where they are allowed, by law, to smoke. However, they should not be smoking within the vicinity of the schools, and if they leave the premises to smoke they should pay due respect to our neighbours. We would ask that students do not smoke in front of the main school entrances or along the front of the school property. Any student seen smoking will be warned once and on the second occasion, sent home.

**All** reference to smoking, includes e-cigarettes.

### **Site issues**

We aim to ensure pleasant working environments for students, teachers and support staff. A pleasant learning environment benefits all of us and encourages student respect, behaviour and hard work. It is important that all adults and students develop a pride in the schools, and recognize that we all have a responsibility to maintain high standards.

Everyone has a responsibility for the control of litter throughout the different sites, and in treating rooms and equipment with respect and care.

We would also ask all students to refrain from the use of foul language in the buildings and around the different school premises.

### **Mobile Phones**

Students are permitted to bring mobile phones onto the school sites. This is at your own risk. Mobile phones must be switched off during lessons. If students are found to be using their phones during lessons, or they disturb the good order of a lesson they will be confiscated. These will then need to be collected from a member of the relevant Sixth Form Leadership team.

Mobile phones must not be brought into examinations under any circumstances.

### **Food and Drink**

Students are able to bring their own food into school, or have access to the school lunches provided on site. Since the lunch arrangements differ for Sixth Form students they may pre-order food for the day or the week through the relevant Sixth Form Leadership team.

When bringing food on site any take away or 'fast food' such as McDonalds or fish and chips are not allowed.

Students are encouraged to have plenty of water and still drinks. Water fountains are available for use. No energy drinks or alcoholic beverages are permitted.

Further policies are available on the website for both Sittingbourne Community College and the Westlands School.

### **Dress Code:**

We believe our Sixth Form students are role models. Whilst we allow them to have some freedom to express themselves as individuals, they have a responsibility to set a good example to younger students and the local community. Therefore we expect high standards of presentation and have a clear dress code which must be adhered to.

Students are permitted to wear formal, business style clothes within the guidelines outlined below. They should understand that this is a privilege given to encourage independence, but also to enable students to develop an understanding of what constitutes appropriate choice.

### **Female Students:**

**Tops** – smart blouses, jumpers or cardigans. Any tops worn must not be low cut or expose the midriff. Vest or ‘strappy’ tops, play suits and ‘hoodies’ are not permitted. Logos must be small, discrete and inoffensive.

**Skirts / Dresses** – smart, business-like and of an appropriate length. Denim is not permitted. Hem lines must be neat. Plain tights may be worn.

**Trousers** – smart, tailored and business-like. No jeans, leggings, tracksuit bottoms, shorts or tight trousers are allowed.

**Shoes** – sensible, traditional leather style footwear. No flip flops, trainers or UGG boots.

### **Male Students:**

**Trousers** – smart, tailored and business-like. No jeans, combat trousers, shorts or tracksuit bottoms are allowed.

**Shoes** – sensible, traditional leather style footwear. No trainers or flip flops are allowed.

In addition to the above, some specific courses have the following variations due to the nature of their studies.

Both male and female students are allowed a small amount of discrete jewellery.

No visible piercings other than normal earrings are allowed (no ear stretchers or facial piercings.)

Visible tattoos are not permitted.

Hats are not permitted to be worn on the school site (woollen or baseball caps.)

### **Dance Students:**

This will consist of trousers, a polo shirt and a sweatshirt. For practical lessons an overall will be provided for use at school and you will also be issued with a pair of work boots. ### **Cross-Site Travel Arrangements and Minibus Protocols**

Swale Sixth Form Students may access lessons at a number of different venues. It is the student's responsibility to ensure they are on the correct site, and arrive to lessons on time. For some students this will mean travelling from Westlands School to Sittingbourne Community College (or vice versa) during break or lunch time. In these situations minibuses will be provided to assist students.

#### **The arrangements for minibus use are as follows;**

- It is the student's responsibility to get themselves to and from the correct site at the start and end of the school day.
- Priority transport is given to students who have a lesson period 2 on one site, and then period 3 on the other. This also applies to periods 4 and 5.
- No places are guaranteed for students for whom this does not apply. In this situation students are expected to make their own way between sites.
- If seats are available, these will be allocated at the discretion of the minibus driver.
- Students will be given 5 minutes from the end of period 2 or 4 to sign out, and make their way to the minibus.
- If students miss their minibus it is their responsibility to get to the other site on time.
- Discounted 16 Plus Travel Cards are available for students who are required to travel between schools. Applications are to be made to their 'home' school.
- Registers of students using the minibuses will be taken.
- We expect students to behave appropriately whilst on the minibuses, and we reserve the right to remove this privilege for students who do not comply.
- Seatbelts must be worn on the minibuses at all times.
- No smoking of cigarettes or e-cigarettes is permitted on the minibuses.

#### **Minibuses will be located in the following places –**

### **Course Exam Board Registration Fees**

Any students leaving their course before the completion date will be liable to payment of a withdrawal fee. This fee will vary according to the student's course and level, but will be payable to cover the cost of the original course registration fee with the exam board.

Failure to pay such a withdrawal fee could result in the certification of any completed units being withheld.

Exemption from payment of this fee will be given to students having to move out of the area, leaving for medical reasons or other reasons out of their personal control.

Any students wishing to change courses within the Swale Sixth Form will not be allowed to make such changes after the exam board registration date, which is at the end of Term 1.

### **An example of examination fees:**

AS course fees range between £30 and £60 per examination paper

BTEC course fees range between £120 and £170 per subject.

### **16-19 Bursary Fund**

Financial support for students exists in the form of the Bursary Fund. This may be used to help with transport costs, food or equipment. Bursary allowances will be granted by the 'home' school. If you feel that you require financial support please see a member of the relevant Sixth Form Leadership team, for an application form.

Generally, evidence of benefits of low family income is required before an application for financial assistance will be considered.

Students who are living independently, in care or are a young parent are entitled to a fixed annual allowance through the Bursary Fund. You will need to apply for this at the start of your course when first enrolling in the Sixth Form.

One-off financial support for specific situations are also considered to support students and maintain their attendance on their course.

If a student is entitled to support from the bursary fund, and applied for a 16+ travel card this would be fully funded through the bursary.

If you wish to apply for the Bursary Fund you should speak to:

**Mrs Heed** at Sittingbourne Community College.

**Mrs Meaney** at Westlands School.
